

53rd Annual

NORTH CENTRAL EXTENSION-INDUSTRY SOIL FERTILITY CONFERENCE

15-16 November 2023

University Graduate Student Award Form

PLEASE RETURN THIS FORM TO MERSHON TOBIN, info@northcentralfertility.com BY

OCTOBER 13, 2023

Please complete this form for any qualifying graduate student(s) from your state/province that you would like to receive the NCSFC Outstanding Graduate Student Award. It is suggested that each state conference representative discuss the nomination with their department's faculty to ensure that all students working in the area of soil fertility are considered.

Student Requirements are:

- *Must submit a poster-proceedings abstract/paper by October 13, 2022 online at <https://northcentralfertility.com>*
- *Must provide a poster (maximum 4x4) at the conference for judging*
- *Must be present at your poster during all poster breaks*
- *Must be present during the entire two-day conference*
- *Must be present at the Awards Banquet*
- *Must be present for pictures after Awards Banquet*
- *Must be present at the Student Social*
